# La Quietud Habla: Stillness Speaks, Spanish-Language Edition

## **Synopsis**

Stillness Speaks conveys a timely and transformational message. Taking the form of 200 individual entries, it is organized into ten topic clusters that range from "Who You Truly Are" to "Acceptance and Surrender" and "Relationships." The entries vary from a few sentences to nearly a page. Each one is concise and complete in itself, and serves as a valuable pointer to the truth while standing as its own teaching or meditation.

## **Customer Reviews**

Motiva a buscar el silencio dentro de nosotros mismos y nos lleva a encontrar la paz que tanto necesita este planeta. Si todos nos ponemos en practica, este pensamiento y estilo de vida colectivo, seria de gran crecimiento para nuestra humanidad.

Eckhart Tolle es un maestro iluminado que nos ayuda a encontrar la paz espiritual. Este libro es para siempre. Recomiendo todos los libro de ET:La Nueva Tierra, El Poder de el Ahora, La Practica de el Poder de el Ahora, y este bello libro de La Quietud Habla. Toda mi familia esta practicando estos bellos principios, y nuestras vidas mejoran mas cada dia.Que Dios continue bendiciendo a el Sr. Tolle y a todo el mundo.El Poder del Ahora: Un Camino Hacia la Realizacion Espiritual

A veces, cuando estamos realmente tranquilos, relajados y conseguimos llevar nuestra meditaciÃ n hasta el contacto con la inteligencia interior es cuando realmente nos escuchamos y nos

conocemos mÃ¡s a nosotros mismos."

Es un libro sencillo, y facil de entender. Muy pratico para llevar en el borsillo. Muchas enseñanzas, habla de la quietud, solo que hay que estar dentro de ella. Recomiendo este libro para la gente que esta con mucho estres, y que no puede controlar la mente. Muy chevere!

Very good but not as the first book of Eckhard Tolle, inspire to me a lot. I recommend to everybody the lecture of this book

This is an excellent book and I feel that anyone who read it could be happy.

Great book from an excellent author. Is a life changing book.
