## Customer Reviews

This is an excellent translation that transfers the poetry of Seuss into Spanish. Not all translations are equal, but Marcuse's are first rate. Brava!

Si lo que buscan es un libro que inspire y motive pero no de una manera cursi sino divertida, apta para todas las edades, pues han encontrado el regalo perfecto!!!La traducccion es excelente! Yo en verdad nunca crei que Dr. Seuss podria ser traducido con justicia hasta que lei este libro... Buen trabajo!!!Lo leemos todos los dias, para mis hijas, y para mi mismo, y pienso asi hacerlo hasta que lo podamos recitar de memoria :)

Great Book!!! SÃ³per interesante la traducciÃ³n de este texto, pues las frases que riman y las ideas creativas que han hecho tan famoso a Dr. Seuss, se logran mantener de una forma genial. I do

recomend this book, specially to those who are looking to keep the link between an English and Spanish environment ....

We love Dr. Seuss books and we were all excited about finding some of his books translated to Spanish. Our daughter likes it a lot. It has good illustrations. Although we find this book a little bit tedious to read lol probably because some of the rhymes are not as clever as if you read the book in English but it's ok. Not our favorite Dr. Seuss book but it's a good book to get.

Based on reviews of how well the story is translated into Spanish I ordered this one and the El Lorax. I am glad I did because they are both translated very well and still keep the rhyming and type of writing that Dr. Seuss is known for.

A mamá- chico de 7 años le encantó y a mamá- me fascinó el mensaje del cuento. Uno puede llegar tan lejos en la vida como uno se proponga. En ocasiones no será fácil pero no nos debemos dar por vencidos. Me encantó !

My students enjoyed this book immensely. We read one page in Spanish followed by a page in English. It worked out great.

I use this book as a graduation gift for my outstanding seniors in AP Spanish. I think is a great gift. Most of them loved reading Dr.Seuss as a child and look at it in a new way before they tackle their new stage in life.
