# Greystone Park Psychiatric Hospital (Images Of America)

## Synopsis

The Greystone Park Psychiatric Hospital was more than a building; it embodied an entire era of uniquely American history, from the unparalleled humanitarian efforts of Dorothea Dix to the revolutionary architectural concepts of Thomas Story Kirkbride. After well over a century of service, Greystone was left abandoned in 2008. From the time it closed until its demolition in 2015, Greystone became the focal point of a passionate preservation effort that drew national attention and served to spark the public's interest in historical asylum preservation. Many of the images contained in this book were rescued from the basement of Greystone in 2002 and have never been seen by the public. They appear courtesy of the Morris Plains Museum and its staff, who spent many hours digitally archiving the photographs so that future generations may better know Greystone's history.

## Book Information

Series: Images of America

Paperback: 128 pages

Publisher: Arcadia Publishing; 1 edition (July 11, 2016)

Language: English

ISBN-10: 1467116491

ISBN-13: 978-1467116497

Product Dimensions: 6.5 x 0.3 x 9.2 inches

Shipping Weight: 9.6 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (5 customer reviews)

## Customer Reviews

Great book a lot of history. Highly recommended

This was a great, and quick, read! The history and pictures were great and it was very interesting. Such a shame what happened.

I live quite close to the site and enjoyed reading about its history, but was very sad about the

decision not to preserve it.

The book was very informative and related very truthful history. I have a close tie to Greystone Park.

Very happy with condition of book.
