This is a hilarious light hearted and charming romance about a delightfully funny family and their determination to win the prestigious Christmas cookie competition against all odds. It's sure to bring a smile to your face and uplift your heart and make it a truly magical blue ribbon Christmas!

Los Angeles super model, Summer Landers, finds herself stuck going home for Christmas after ten years of avoiding the heartbreak she left there. After a snowstorm hits closing most of the airports, she is forced to fly back to Christmas-obsessed Kissing Bridge Mountain where people take their holidays, and cookies seriously. Upon arrival Summer finds her family legacy in shambles. Despite the Landers winning the blue ribbon every year for decades at the Christmas Fair Cookie Competition, somehow they had been unthroned by their neighbor Mrs. Beaverton! The Landers women, with their family curse and strange and unique talents, now must struggle to find a way to best their competition who has secretly employed the help of the Evil-Martha Stewart. Besides dealing with the crazy antics of the town people, Summer must also avoid her ex boyfriend Brad, who has returned home for the Christmas holidays as well. Now she is confronted with her feelings and the truth about that fateful night under the mistletoe so long ago.. Mistletoe kisses and cookies are too much to deal with, and try as she might it looks like Summer is destined to relive the worst nightmare of her life. Luckily, Christmas brings miracles and Kissing Bridge is full of them so anything can happen...This is a recent newly edited edition. Look for the follow up to this book - "Holiday Kisses and Valentine Wishes", "Chocolate Kisses and Heartfelt Wishes", "Firework Kisses and Summertime Wishes" and about to be released in September 2016 "Paris Kisses and Christmas Wishes" where the fun on Kissing Bridge Mountain continues!

A charmingly funny and delightful Christmas romance book that is good for the whole family. "The perfect feel good book when you want to lift your spirits! It made me laugh the whole way through. Thank you for the true holiday cheer!"

## Customer Reviews

The story is so bad that it is nearly funny in an unintentional way. Ten years before the story begins, Summer was engaged to the man she loved. Then her hard-hearing aunt, queen of gossip, tells her that rumor has it that Brad, her fiancé, has kissed a girl under the mistletoe (as if that was such a big deal!). Our brain-damaged heroine breaks up with the love of her life without giving him the chance to explain himself! She begins a career in modelling and dates another man who seems as stupid as her. They could therefore be a good match but she wants to break up. Without even popping the question, he buys her an engagement ring and Summer passively accepts the situation because, maybe, that is a sign that God has sent her this man! Now, there is nothing wrong with trusting God but that does not mean that you cannot use your brain and your heart to know what you want in your life: grow up, heroine! Summer is supposed to spend Christmas in California with her new fiancé and his parents, which she dreads. Luckily, the plane that she should take to go to California is cancelled due to a storm and the only flight not cancelled is to Kissing Bridge (!) her hometown in Vermont. Despite the terrible tragedy which happened 10 years ago (remember, a guy kissed a girl under the mistletoe, a real tragedy indeed!) she takes this plane and surprises her mother and her aunt who are happy to see her but nonetheless seem to be in some excruciating

crisis. Has one of them discovered that she has cancer or lost her job or what exactly is the problem? The problem - sorry, the tragedy - is that the mother has not won the cookie competition, she is only second! How heart-breaking is that! Ok, I won't tell the end because you get the gist.

I have come to expect uneven writing quality in kindle unlimited books, but CHRISTMAS KISSES, ETC. is one of the most juvenile stories I have ever read. Simple to the point of being witless. The story line, such as it is, has already been dissected so I'll simply reiterate that the heroine has all the complexity of a mollusk and the hero that of an actor in a toothpaste commercial. Oh, wait, there IS an actor in CHRISTMAS KISSES, devastatingly handsome but so very shallow, not wanting to have kids and all. Which is the only thing our heroine, Summer, the breathtakingly beautiful but lonely heroine, truly desires. So she mopes around because her life was ruined when she believed her fiance had cheated on her many years ago neath the mistletoe. Turns out that, nay, Brad did not betray her with a curvaceous cheerleader but had innocently bussed a ten-year-old. However, the story of his betrayal was relayed to Summer by an aunt who can't interpret "b's" when she, given the "gift" of being able to hear gossip from anywhere in a crowded room, misinterprets something...what, oh, I don't know, my eyes had become stuck from all the eye rolling and I was unable to read further. Really, why didn't our heroine simply ask our hero about his supposed indiscretion rather than use her special gift to sit in a place the next day where she would be discovered and go off to a stunningly successful career as a fashion model and...whatever...Not only is the writing mind-numbingly puerile but the writer's grammar and syntax seem to be as randomly sprinkled about the pages as powdered sugar upon a Christmas cookie. Oh, let's throw a comma in, willy-nilly, or say, why don't we leave out all necessary commas in this particular paragraph? And let's not worry about the proper usage of words, shall we?
