# A Reader Of Modern Arabic Short Stories

## Synopsis

Designed for the English-speaking student, this reader brings together the Arabic texts of eleven of the best modern Arabic short stories. Each is preceded by an introduction in English, containing biographical information about the author and a critical analysis designed to encourage the student to make a literary response to the story, rather than regarding it as an anthropological curiosity or a linguistic conundrum. Notes explain colloquial and idiomatic words and phrases, which may cause difficulty. This anthology -- the fruit of several years' teaching experience -- will help to satisfy a growing interest in modern Arabic literature in many parts of the world.

## Book Information

Paperback: 222 pages

Publisher: Saqi Books (February 1, 2001)

Language: English

ISBN-10: 0863560873

ISBN-13: 978-0863560873

Product Dimensions: 5.5 x 0.6 x 8.4 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 2.0 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #1,282,813 in Books (See Top 100 in Books) #402 in [Books > Literature & Fiction > World Literature > Middle Eastern](#) #4757 in [Books > Education & Teaching > Studying & Workbooks > Study Guides](#) #7536 in [Books > Textbooks > Test Prep & Study Guides](#)

## Customer Reviews

A few words about the book itself: There are 11 selections, somewhat graded in difficulty. The apparatus has been kept to a minimum, hence the reader must keep his Wehr at hand. The notes are helpful, but not copious; however, the contours of the stories are outlined before the text of the story is presented, assisting the less experienced reader. I recommend reading the summaries after the story, not before, since they give away crucial plot points. I would grade this book 3 stars, since the glossaries are too rudimentary, but I decided to rate it at 4 stars, because it does not deserve such low rating based purely upon the Kindle version (of course, I am sympathetic with the complaints and glad I bought a paper copy instead).

the arabic text is handled as a picture; as such its size is not adjustable and is quite small. the real problem is that the text of the stories is so light as to be mostly illegible. this is cleverly hidden in the

downloadable sample by the fact that only the introduction is included. in its current format, a ten dollar scam.

I agree, this does not work in Kindle and should not be presented as a Kindle book. Kindle needs to address the lack of support for Arabic fonts.
