I'm Yours, Baby: A Yeah, Baby Novella

Synopsis

Guy Rule: Don't knock a girl up and disappear for a year. Weston Davis was a jaded CIA operative who didn't believe in love at first sight until the moment he laid eyes on Aspen Kennedy and knew she was meant to be his. With an undercover operation only days away, the timing was horrible. But he didn't let it get in the way of spending an explosive weekend with her before he has to leave. Aspen believed Weston when he told her he'd be back. Twelve months, a positive pregnancy test, and countless emails later, she's given up hope on ever hearing from him again. She's left alone to raise their baby, a treasured gift from the man who'd stolen her heart and smashed it to pieces. When Weston comes storming back into her life, he has a new mission: claim his family, find the person who'd almost caused him to lose them, and make them pay. Warning: If you're in the mood for a quick & dirty read with an alpha male who's determined to make up for lost time, this novella is for you! Bonus Content! I'm Yours, Baby includes an extra Fiona Davenport book, Deception: Mafia Ties #1, which starts at about the 62% mark. For a limited time only!

I'm You're, Baby Five Stars, Loved Weston! This book has a loose tie to Until Death Do We Part. Weston Davis is a CIA under cover agent. The weekend before his next mission, he meets and falls in love with his soul mate. He will be gone for a year and contract will be difficult. He promises her he will get back to her. Aspen Kennedy thought she found her soul mate. All her emails went unanswered. Aspen put her hope and love for Weston after the birth of their son and still no word from him. Weston is home ready to retire from the field and track down Aspen. He has not heard from her since he went on assignment and he is not going to give her up without a fight. When Weston finds Aspen, he realizes someone had betrayed him. He sets out to rebuild Aspen's trust and become a father to his son. A fun fast paced and steamy short story. Loved Weston, Aspen is a lucky girl. Deception, Mafia Ties (Nic & Anna book 1) Give Three Stars. While the story is well written, I am not a big fan of Mafia stories. Making someone who profits off of extortion, drugs, and human trafficking the hero just doesn't appeal to me. Since the book was included, I did read and enjoy it. Nic is a super Alpha. He is in his early 20s and has not taken over as the family head, due to caring for his young daughter and his widowed mother. The Irish Mafia is encroaching on the DeLuca territory and Nic's Uncle, who has been running things for him tells him it's time he takes over. Things couldn't have happened at a worse time. Nic had found his soul mate in his daughter's new nanny. She is young, sweet and innocent. He wanted time to make her his, and ease her into the reality of the DeLuca family. Anna Martin, found college wasn't for her.
