Hard As Steel (The Soldiers Of Wrath, 3) (The Soldiers Of Wrath MC Series)

Synopsis

Eloise has kept her desires in the dark her entire life. Not sure if she should feel ashamed over her need to have a sexual relationship that consists of pain, she focuses on keeping to herself, knowing that she can never have what she really wants. Steel is a member of The Soldiers of Wrath MC. He is a man that takes what he wants when he wants it; he is never denied. But he wants Eloise, and her refusal to give herself to him makes Steel want her even more. He's determined to break the composed and collected exterior that she carries. When Hanson, Eloise's boss, attacks her, it's Steel that comes and rescues her. Steel feels something for the woman that seemed to turn his world upside down in such a short time. But Hanson isn't about to be put in his place, or lay down without a fight. He'll show Eloise and Steel that he'll take what he wants regardless of any threat. Can Eloise give herself to Steel fully, or will her fear for what she really wants hold her back? Can Steel finally allow himself to commit to a woman and show her that what she wants is exactly what he desires to give her? Warning: This title does contain explicit adult themes.

Soldiers of Wrath book 3 By Sam Crescent and Jenika Snow was an amazing add to this MC series. Sam and Jenika are amazing authors separately but together they are a power house team. I was given the honor to read this book to give my opinion of this amazing addition to the Soldiers of Wrath and here is my take on this story. Steele is a long time patched member of the Soldiers of Wrath. He is a sadist in the bedroom, a Dom in his own right. He likes control, it is who he is and always has been. Eloise came from a broken home and has a secret desire of being Submissive in the bedroom, but not just any Submissive. She wants pain, she craves it and needs it. Though has always been to scared to ask past lovers for it fearing they would view her as a freak. Steele has asked Eloise out and she has denied him. He doesn't know what it is she has that he needs, all he knows is he is drawn to her and cannot manage to stay away. She is scared of Steel, but is attracted to him anyways. She knows he sits outside of the grocery store she works for, but can't seem to say anything eventhough she knows she should. Stalking should scare her like the man himself does but yet she says nothing. She allows him to do his thing and just ignores it. Steele hates that he "stalks" Eloise, that is not him. He could snap his fingers and have any woman he wants. The draw to her is something he can't seem to break. This night in particular he is trying to talk himself out of his obsession with her, talking himself into moving onto one of the club flavors. Her car still being there past closing and all the lights out has him concerned.
