# The Swap: Swapping Bodies With My Boyfriend

## Synopsis

When Megan's grandmother gives her a book of ancient spells, she gets laughed at by her boyfriend, Brett. In spite of his skepticism, she decides to try casting one of the spells - one that would cause her and her boyfriend to switch bodies. When they wake up the next morning, they're both blown away when they realize that the spell actually worked. Brett frantically reads through the ancient book, looking for a way to reverse the spell. He finds a way - the only way - but it's the last thing he wants to do. According to the book, the only way to reverse a gender swap spell is for the two people involved to have sex - but not just any sex. It has to result in pregnancy.\*\*\* This 4,000-word erotic short story contains scenes of intense, passionate sex between two gender swapped adults. \*\*\*
