La Bestia, La Tragedia De Migrantes Centroamericanos En MÃ©xico (Spanish Edition)

Synopsis

"La bestia, la tragedia de migrantes centroamericanos en MÃ©xico", es un libro que expande y profundiza lo visto en el documental la Bestia, y expone con mÃ¡s detalle las dificultades, los peligros y sentimientos que enfrentan miles de seres humanos que salen desde sus paÃ±ses de origen en CentroamÃ©rica para transitar por una de las rutas mÃ¡s arriesgadas y violentas de todo el mundo para migrantes indocumentados. Como escritor, Pedro Ultreras se vale del profuso material producido durante y despuÃ©s de la filmaciÃ³n de su pelÃ©cula y lo transfiere a una dimensiÃ³n mÃ¡s amplia, narrando las aventuras, los peligros y las hazaÃ±as vividas por los migrantes y por Ã©l mismo -montado tambiÃ©n sobre la bestia- a travÃ©s del temible trayecto que estos osados seres humanos siguen en pos de una prosperidad econÃ³mica que con frecuencia los lleva a un trÃágico desenlace de sus planes. AsÃ¬, el documentalista mexicano presenta en este libro un recuento de los sucesos mÃ¡s recientes como la atroz masacre de migrantes en Tamaulipas en 2010, la dramÃ¡tica caravana de familias en busca de migrantes desparecidos en 2011, asÃ¬ como un anÃ¡lisis de la primera ley de migraciÃ³n expedida por el gobierno mexicano que a principios del 2012 aÃºn no se implementa. "La bestia, la tragedia de migrantes centroamericanos en MÃ©xico" (The beast, the tragedy of Central American migrants in Mexico) is a book that expands and goes in depth about what was seen in the documentary "The Beast," exposing in detail the difficulties, the dangers and the feelings faced by thousands of human beings who leave their home countries in Central America. They travel through one of the most risky and violent routes in the world for undocumented immigrants as they cross through Mexico on top of "la bestia" (or the beast), as the perilous freight trains they ride to try to make it to the United States is called. Journalist, filmmaker and author, Pedro Ultreras (7 Soles, 2007) makes use of the profuse material he produced during and after the shooting of his documentary "The Beast" and transfers it to a deeper dimension, narrating the adventures, the hazards and the deeds lived by these migrants and himself -as he also rides "the beast" along migrants- go through on the dreadful journey that these daring men and women follow in pursuit of an economic prosperity that often leads them to a tragic outcome of their plans. La bestia, la tragedia de migrantes centroamericanos en MÃ©xico is a well-documented book that serves as a historical record of the most recent events about the phenomenon of Central American migration, as well as gathers the testimonies of the migrants he meets along the "migrant's route", presenting his chilling interviews with men and women who desperately seek to reach the U.S. In this book, Ultreras presents a summary of the 2010 atrocious mass massacre of migrants in Mexico, the 2011 dramatic caravan of Central American family members seeking their missing relatives in Mexico, as well as a brief analysis of the first ever

immigration law the Mexican government enacted in the wake of the mass killings of migrants. La bestia, la tragedia de migrantes centroamericanos en MÃ©xico is profusely enriched with photographs taken by the author.

It is a dramatic and intense collection of interviews with migrants from central america who have to go accross Mexico to reach the border with the U.S.A.. Along the way they face extorsion, assault, rape, mutilation and murder carried out by armed gangs and corrupt goverment officials. But it all relates to a documentary made earlier by the author. So I would rather wacth the documentary, hence my 3 stars.
