Nymph - Forest Protection

Synopsis

Justin lives at home with his father, Rick, after dropping out of his freshmen year of college. His dad continues to urge his son to find a job and get out on his own. In the meantime, Justin is ordered to carry his weight by cleaning the house. While in the basement doing laundry, Justin discovers a strange crack in the wall. Roots have delved through the whole building. The Nymphs from the apartment down the hall are alerted to Justin's nosing around and go to retrieve him. Chrissy and Jennie are happy to help the two men understand why the whole building is thriving with roots and vines as they show Justin and Rick just what it means to have Nymphs as neighbors. Justin gets to fulfill a long time fantasy with the housewife down the hall, while Rick's new fate involves a particular kind of extra limb.
