## Synopsis

No one had ever looked at her and seen perfectionâuntil now. Delicate, titian-haired Theresa Noble has met her fatherâs associates in the past, but the gorgeous, Italian-born Sandro De Lucci leaves her speechless. Eighteen months into their marriage, however, Sandro has turned to ice. Desperate to escape a relationship that has proven to be as stubbornly passionate as it is cold and hateful, Theresa summons up the courage to ask for a divorce. But before heâll grant her request, Sandro demands something from Theresa: a son. The stalemate sickens her. Never mind that Sandro has yet to introduce Theresa to the large family that means so much to him. Or that Theresa overhears her husband on the phone with a mystery woman. Most damning is that Theresa senses, in Sandroâs treatment of her, the behind-the-scenes machinations of Jackson Noble, her cruel father. From the depths of her anxiety, Theresa must seek an empowering truth about the husband who calls her, with such cold affection, his cara, his beloved. Revised edition: This edition of *The Unwanted Wife* includes editorial revisions.

Heroine wants out of her 18-month marriage to Hero. Aside from sex, he ignores her & demands

things from her including bearing him a son. She's given up on their r/s ever changing. She becomes more resolute about getting a divorce when she overhears him on the phone with her father who revealed why Hero married her in the 1st place. Hero, on the other hand, finds out the truth of heroine's part in her father's schemes and now wants to fix their marriage. But are his efforts a little too late?-----SPOILERS: Don't read below if you don't want to know the book's details-----This was a speedy read for me. Anders wrote in a straightforward manner and zoomed in on the main characters' romance. There weren't the distractions of location descriptions or mini-stories about other characters. This book was strictly about what went wrong with Hero & heroine's marriage and how they resolved it plus some crackling sexual tension & sex scenes in between. Or, more specifically, how Hero tried to make amends for his numerous dastardly actions towards heroine. And it worked. Hero made a complete turn-around and was genuine in his efforts to change their r/s. And he had A LOT of amends to make...H's misdeeds against heroine? In the span of 18 months he was married to her...1. he was cold towards her & mocked her love for him while making insinuations that she sold herself in marriage to him.2. he wouldn't kiss her on the lips but would have sex with her in a controlled fashion & made sure she orgasmed. After sex, he'd roll over & unfailingly tell her "Give me a son, Therese."3.
