# Metafísica 4 En 1, Vol. I (Spanish Edition)

## Synopsis

Aunque muchos libros han sido escritos basados en las Leyes del Pensamiento, muy pocos son los que combinan esas leyes con la verdad espiritual. Esto precisamente es lo que hace que *Metafisica 4 en 1* sea una renovacion, que le ayudara a retomar el control de su vida, enseñandole a manejar el inmenso poder interior y guiandolo a traves de canales constructivos. Este primer volumen conjuga las enseñanzas de los libros: *Metafisica al alcance de todos*, *Te regalo lo que se te antoje*, *El maravilloso numero 7* y *Quien es y quien fue el Conde de St Germain*.

## Customer Reviews

Con poquísimo riesgo a equivocarme, me atrevo a afirmar que pocos libros habrán afectado (para bien) tanto la vida de buscadores hispanoparlantes de la Luz como el "4en1" de Conny Méndez. Toda crítica que puedan hacerle tanto a la obra como a su autora, quedan reducidas a nada ante el portentoso IMPULSO HACIA ADELANTE que muchos buscadores de habla hispana han experimentado al leer este libro. Qué mejor paso que este para dar inicio a la propia búsqueda espiritual, y adentrarse en la fabulosa Enseñanza que, para beneficio de la humanidad, han descargado los Maestros de Sabiduría. Bendita seas, Conny Méndez, doquiera que estés, por esto que hiciste por nosotros!

This is the very first book I read about Metaphysics, and even though it's not a very deep study of the matter, it gets to the point of study by giving the reader the basics of Metaphysics. As you read

you will learn the easy steps to have a better life and access the great knowledge of the ascended masters. This is a great book to begin a studying journey, and although you'll find yourself reading deeper books, this one's a must when it comes to Metaphysics.

I was told about this book when I was in college, where I learned many things about what this book talks about. It literally changed my life, my outlook in life and my disposition. 10 years later I still go back to it everytime I find myself with a problem or a concern. I use it almost like a Bible. It teaches you many things about life. It is Christian Metaphysics but it is written in a way that anybody could apply it to their lives christian or not.

UN GRAN LIBRO, ESCRITO HACE BASTANTE TIEMPO, MUCHO MEJOR EXPLICADO Q EL "SECRETO" QUIERES CONOCER LA VERDADERA LEY DE LA ATRACCION ? LEE ESTE LIBRO

this book helped me a lot with my life and understanding the power of love, you will keep it just close to you to give you guidance and wisdom.

Well this book is probably the best book, I have ever read in my life. Because it helped me change the way, I see life and it is very important; what the message in the book, it is also important to practice, the exercises that are in the book. I do not mean "exercise" to go to the gym, but exercises to help you control your mind and body. I love this book it changed my life and I have giving this book as a gift to many of my friends and close family and it has change the way they see life. So read it and try what it says, on the book and you will see!!!

It is amazing how she can condense so much learning into simple words, following her mentor, Emmet Fox, who always spoke about using 5 cent words rather than dollar words to explain the intricacies of the life of the spirit. With practical suggestions for everything, this book is worth its weight in gold. Es increíble como Conny puede condensar tanto conocimiento en un poco de palabras sencillas, siguiendo el ejemplo de su maestro Emmet Fox, que siempre hablaba de utilizar palabras de a 5 centavos en vez de palabras de a dólar para explicar las complejidades de la vida del espíritu. Con sugerencias prácticas para todo lo que existe, este libro vale su peso en oro.

Si quieres leer un libro que transforme tu vida en forma maravillosa, lee este libro. Es un libro para conservar, aplicar, leer y releer. Excelente. Considéralo una oportunidad en tu camino.
