Faust

Synopsis

A classic of world literature, Goethe's Faust is a philosophical and poetic drama full of satire, irony, humor, and tragedy. Martin Greenberg re-creates not only the text's varied meter and rhyme but also its diverse tones and styles—dramatic and lyrical, reflective and farcical, pathetic and coarse, colloquial and soaring. His rendition of Faust is the first faithful, readable, and elegantly written translation of Goethe's masterpiece available in English. At last, the Greenberg Faust is available in a single volume, together with a thoroughly updated translation, preface, and notes. Greenberg has accomplished a magnificent literary feat. He has taken a great German work, until now all but inaccessible to English readers, and made it into a sparkling English poem, full of verve and wit. Greenberg's translation lives; it is done in a modern idiom but with respect for the original text; I found it a joy to read. —Irving Howe (on the earlier edition)

Customer Reviews

Reading this as text in a LifeLongLearning class, and it is by far the most accessible version of FAUST that I've ever read. NOT at all dry. Such fun to read-aloud in the class; would make a

marvelous edition to use for a readers' theater. Footnotes at the back are especially helpful.

This translation flows and provides precision to the drama and meaning of this great.

An excellent, very readable translation of the archetypal story. Poor Gretchen. Sigh.

was satisfied with delivery and item. Interesting addition to my other classics.

Great
