## Customer Reviews

Great book for English-speaking people who want to learn Spanish.

I was very surprised, and happy when this arrived. It was in very good condition. We had it within a few days. Definitely glad I chose to order used, not new. Worth the money.

Although the book is not used, some pages are missing. Wouldn't have bought if I had known. I'm returning it.

Came as described .. Great experience.

Very happy with the product!

Love it In good condition

Book came as expected

Prefect for my kids.
