## Synopsis

After being turned down by the woman he loves at the end of the season, the wife hunt continues for Sheridan Cranfield. When Cecily Montgomery catches his eye, he knows that his feelings for her are far deeper than they could have ever been for the woman who broke his heart. Winning her heart will not present a problem â conquering her body, however, will prove another challenge altogether. A true gentleman, Sheridan was taught that a man must treat his wife with the utmost respect in the bedchamber, and only slake his most salacious desires with his mistress. While he dreams day and night of the wicked things he wants to do to her, his reticence holds him back â resulting in a dissatisfied bedmate. Cecily adores her husband, but wishes she knew how to draw him out of his shell. Beneath his polite and refined demeanor, she sees the true Sheridanâ a man with the potential to utterly master her body and fulfill her every fantasy. Enter Madame Petra, a skilled courtesan known by the ton for tutoring couples in how to please one another. With her help, can Cecily coax her husband into unleashing the seductive sexual being simmering just beneath the surface? Or will their monotonous bedroom life doom them to an amiable, but lackluster future?

Interview with the Author  
Q: So, what makes the Scandalous Ballroom Encounters series special?  
A: Thereâs nothing Regency romance readers love more than a good scandal! As a lover of both romance and erotica set in the Regency era, I really wanted to put everything I love about the genres into one series: rakish dukes, innocent debutantes, daring spinsters, seductive widows, and the glittering backdrop of London. Each book features a different couple (or threesome), and can be read alone, however, the characters often cross over into the other books and make appearances.  
Q: Why should readers give these books a try?  
A: These books are decadent, sexy, and emotional. The characters are relatable and engaging, and their scandalous behavior will have you turning the pages to find out what they might do next!  
Q: How many books will be in the complete series?  
A: I am not certain. At the moment, I have 4 books planned. But who knows?  
Thereâs no shortage of scandal to be found among the members of le bon ton .

## Customer Reviews

Victoria I loved book 2 and like you said I'm glad to see that Sherry got a happily ever after. I'm not saying more because I don't want to ruin it for anyone. I will say this on to book 3

TMCE TMCE TMCE TMCE ^ ^ ^ ^

The story is different from your usual regency tale. Quite refreshing to read and of course the sexy scenes are most welcome in a book like this. This is the second of Victoria Vale's books I've read (first was Masquerade- that's how I discovered her as an author)... The storyline is exciting but one flaw for me is that in both stories I felt that the description of characters, settings and relationships are too short. With this book, I felt like I was forced to accept that they married in haste and that's it. I would have loved to have a few chapters of how they met before marriage and problems there after. In saying that, I'm the type of reader that if the book is good, I will sacrifice my snooze time to finish it which The author did to both stories.

I wrote a review for the first book and what it lacked. Wow, oh wow! I am so glad I went ahead and got the second one! This one was hot and steamy and had some really good plot and had emotional depth with character development. It was one of those things where the characters don't do what you probably would, but as a reader you could absolutely understand why they did what they did. It's so rare to find a well written erotic romance. A couple of typos but not enough to detract from the

experience. And this book was an experience I wouldn't have missed. I couldn't be more pleased. Perfect! 5 stars!

Wonderful book. I enjoyed reading it.
