Customer Reviews

Cheri Verset always starts these bundles' description by "so wrong and yet so right" and it's true. I can't find a better way to describe it myself. If you're a fan taboo stories, this is the box set to get. They never disappoint. The book "We Must Repopulate" is hands down my favorite. So good!

Just love this series. Have enjoyed reading about the bothers and looking forward to reading the

next one. great read.
