The Hooker And The Hermit (Rubgy Book 1)

Synopsis

New York's Finest Blogging as *The Social Media Lite* April 22 LADIES AND GENTS! I have an announcement! You know that guy I featured on my blog a few months ago? The really, really hot Irish rugby player who plays the position of a "hooker" in the RLI (Rugby League International)? The one with the anger management issues, the body of a gladiator and the face of a movie star? The one with the questionable fashion choices leading me to ask whether he was the lovechild of a leprechaun and a hobbit? Ronan Fitzpatrick? Yeah, that guy. Well, I have a confession to make. [THE HERMIT] Annie Catrel, social media expert extraordinaire at Davidson & Croft Media and clandestine celebrity blogger, can make anyone shine in the court of public opinion. She is the Social Media Lite, anonymous creator of New York's Finest and the internet's darling. Virtual reality is Annie's forte, but actual reality? Not so much. THE HOOKER Ronan Fitzpatrick, aka the best hooker the world of rugby has seen in decades, despises the media "social or otherwise. The press has spun a web of lies depicting him as rugby's wild and reckless bad boy. Suspended from his team, Ronan has come to Manhattan to escape the drama, lay low, fly under the radar. Only, Ronan isn't easy to overlook, and he can't escape the notice of the Social Media Lite. [THE PLAN] When Ronan is sent to Davidson & Croft Media to reshape his public image, he never expects to cross paths with shy but beautiful Annie, nor does he expect his fierce attraction to her. He couldn't be happier when her boss suggests pairing them together. What lengths will Annie take to keep her virtual identity concealed? And what happens when the hooker discovers who the hermit really is? The Hooker and the Hermit is a collaboration between authors L.H. Cosway and Penny Reid, is a full length 110k word novel, and is a standalone.

Customer Reviews

My understanding from the publicity leading up to the release date was that Reid and Cosway greatly enjoyed their collaboration. I wish that I had enjoyed reading it half as much as they did writing it. I also wish they had created a plot that didn't feel like a Harlequin facsimile: timid heroine, brutish hero who pushes heroine into a relationship, followed by heroine running away,...lather, rinse, repeat.....I haven't bashed any of the five star reviews although I find them mind-boggling, and hope for the same level of respect as I give my opinion. Cosway and Reid are both talented authors, which is why I find the issues with writing style, plot, and character development mystifying. All the characters are over the top. Annie is not provided with just a dysfunctional family, she is a foundling of sorts, who ironically is the WORLD's most famous celebrity blogger while living the life of a recluse. She is ASTONISHINGLY beautiful, disguised in baggy, beige clothing. Our heroine is barely able to make eye contact or string two sentences together. By her own admission she has TERRIBLE table manners. Within weeks, she morphs into the champagne drinking, stylish glamour girl socializing at soirées. "I am crazy. I have severe abandonment issues and daddy issues and mommy issues. I'm not just shy. I'm petrified." NOT FOR LONG! Ronan, is Ireland's BEST hooker (think ruby, not streetwalker), with a penchant for spandex and bondage. I feel like that is all I know about him. Frankly, his track record with women isn't that appealing. He starts out as the victim of a cheating girlfriend, but it is pretty clear that he wasn't the most emotionally connected boyfriend, either.

The Hooker and The Hermit is the love child between two amazing authors, well known for always bringing us wonderful stories. Penny Reid (Knitting in The City series) and L.H Cosway (Painted Faces, Killer Queen, Six of Hearts, among other great titles) collaborated to create a book that combines the best of both writing styles and brains. From the moment you start reading you can pick up on the fact that these two awesome chicas had a great time writing this book together and lucky for us, we get to join them in all the fun. Definition: Hooker is one of the positions in rugby league football. Usually wearing jersey number 9, the hooker is one of the team's forwards. During scrums the hooker plays in the front row, and the position's name comes from their role of 'hooking'

or 'raking' the ball back with the foot. Ronan Fitzpatrick is known as the best hooker in the world of rugby. He has been forced to take a break from playing, after getting into a bloody fight with one of his teammates and putting the other guy in the hospital. The reason for the fight was that Ronan discovered that his mate was sleeping with his long-time girlfriend. Feeling fed-up with everything in his life, Ronan decides to escape to New York City for a while; he's looking to spend his days at the gym training and perhaps having a few one night stands with no strings attached, because the last thing he needs is to get his heart crushed by another woman. His plans are very clear until he meets a beautiful hermit... Annie Catrel is the most successful media expert executive in New York city, she works for Davidson & Croft Media and on her own time she's also anonymously running a popular celebrity blog.
