Customer Reviews

my son is incarcerated because of addiction and has learned to speak Spanish while in prison. i am in recovery myself and wanted to send him the Big Book of Alcoholics Anonymous so he could begin his own recovery journey. because the Big Book is available in Spanish, that's the one i ordered for him. i talked w/him last week and he said he has read nearly half of it already.i am so grateful to .com -- i have ordered numerous books and magazines on this site and have had them shipped directly to my son.many bookstores will NOT mail to prisons, but i have always been able to find just what i want on . thank you for being there!

This is a great book. I have 30 yrs of recovery. Many in Central America can not afford a book so I buy these and send them there..Do the same and perhaps save some lives..

I believe this company cares about what they send out used. The book was in great shape and the service was speedy. Exceeded our expectations!

For those with English as a second language to understand what Alcoholics Anonymous offers to the family as well as the former drinker. Written presuming the drinking has ended.

If you suffer addictions, help is here with this book! This is the latest version in Spanish. Make sure you get the latest version!

I've a friend of Bill's for a long time and I can only hope this one will affect someone as it did to me.
