Addicted To Love: A Novel

Synopsis

Addicted to Love, A Novel People hook up on the net all the time. Just like the myriad ways of falling in love, there are so many ways people can connect with each other through the ether. This is a story about what happens when one email goes astray. As Comfort hits 'send' on her laptop in Auckland, New Zealand, the email goes off in a careless, almost delinquent way, taking a wrong turn. Instead of going to her friend Harry across town, it ends up in the inbox of a very different Harry. Bridget Wilson's second novel is an inside look at sex and love addiction. By turns harrowing and comic, it recounts Comfort's inner world as she battles her demons, as journalist by day, and compulsive email writer by night. When the lights come on, her battle turns into all-out war as she attempts a devastating withdrawal that tears her world apart. Addicted to Love explores aspects of intimacy and one woman's struggle for it and against it. It is a thought-provoking story which will change the way you regard sex and love addiction.

This is a story about a relationship which develops between two people who have never met. It brings to mind that amazing story 84 Charing Cross Road . but that was a gentle divining thing, whereas this is a rather chilling account of what happened between a vulnerable woman and an extremely manipulative man. ok the letters go on a bit, and the ending is rather rushed. But i was intrigued by how the manipulation grew...the denial of Comfort in believing that it could possibly be a real relationship and the Texans ability to feed that ... all rather chilling... i felt like giving him a big fat slap a good read!

I don't normally read novels but this one had me hooked! I read it in a week, nostalgia kicked in and I related to places and things describe throughout the book.....the ending was cruel to the reader or was it? Or is it just a wake up call?

Email romance! Well written and intriguing. It has love, some sex and suspense: Will they? Won't they? I won't tell the ending.

Awesome Read.
