Customer Reviews

I'm not reviewing the content, as non-digital reviews cover that already. This ebook is well formatted and copy-edited, with good punctuation and spelling. The only flaw is that sections have no empty lines above or below, you just suddenly encounter eg a "II" with no blank lines above or below. There is no table of contents in the Go To... menu item, but there is still a perfectly usable/clickable one when you go to the Beginning via Go To... The works in this collection are: The Good Soldier; The Fifth Queen; The Fifth Queen Crowned; the Inheritors; Privy Seal; Romance. (Avoid the Halcyon Classics version of The Good Soldier: it has very poor formatting and copy-editing.)

Ford is an extremely under rated author and a wonderful writer who had and continues to have

significant influence on modern day writers. He should be on everyone's must read list.

What more can I say about Ford other than he was arguably the finest writer that England ever produced. Simply marvelous prose. What joy to read.

Very long ending, actually skipped part of it.
