When Loving Her Is Wrong 3: Cherish's Revenge

Synopsis

Cherish is determined to put her marriage to rest once and for all. This is after discovering that Bishop walked out on her, only to move in with his pregnant mistress. She has reached her limit and wants out of this nightmare of a marriage. Cherish holds all of the cards to bring Bishop down to his knees, and in more ways than one. Bishop's relationship with his mistress Dionne Santiago is now spiraling out of control. He has discovered that his best friend, DeMarcus may possibly be the father of Dionne's unborn baby. The whole situation has left Bishop distraught and overcome with grief . . . Especially when he realizes that he may have lost Cherish in the process. So much for him thinking that the grass was greener on the other side of the sheets. Only now, he is determined more than ever to get his wife back and at any cost. Roman's feelings for Cherish are stronger than ever, and he wants nothing more than to make a life with her. But the secret that he's hiding is rearing its ugly head. Everything is now on the brink, when it comes to exposing his involvement in Dionne's plot to destroy Bishop and Cherish's marriage. DeMarcus is willing to go to the ends of the earth to prove his love for Chyna in hopes of regaining her trust. Chyna, on the other hand, is not so eager to welcome DeMarcus back into her life especially after discovering that he is still sleeping with Dionne. Dionne's plot to steal Bishop seems to be unraveling, as her underhanded ways are becoming exposed at every corner. Her desperation to possess Bishop has backfired, as she still desperately tries to hold onto him. Will Bishop be able to convince Cherish that what they share is worth fighting for? Or will she follow through with the divorce and pursue her budding relationship with the charming Roman Carter? Or will Roman's past come back to bite him, causing him to lose the only woman that he's ever loved. Get prepared to go on a roller coaster ride in the finale of *When Loving Her Is Wrong*, as even more secrets are revealed that will change the fate of everyone involved.

Customer Reviews

And what a ride it was! A very enjoyable one; emotional nonetheless. Ms. Amoure started off right where she left off from "When Loving Her is Wrong 2: When Everything Comes to The Light". From the first page of this extraordinary finale to the very last punctuation mark, we are treated to one of the greatest stories ever told. This extremely gifted author just kept on making body shots to our emotional trunks. The shots of dramatically filled literary wonderment connected with our romantic and intrigue worshipping souls. This written word will keep you tied up in the exciting storyline long past the time where the words "The End" are written. This author's storyline will be dancing on the stages of your mind for an unspecified time. You will continue to feel her character's tenacious hold for quite awhile after she speaks her unadulterated truth through their fictitious lips. This reader is not disappointed with any aspect of this series. I was trapped within the creative labyrinth of Ms. Amoure's spectacular mind the entire time she so masterfully wrote to immediately captivate her reading audience. This author did such a good job of keeping your rapt attention on the storyline that you find yourself not wanting to be free from her imagination. I found my reading speed decreasing towards the last few chapters so as not to bring my enjoyment to an abrupt end. I truly wanted to prolong the extreme pleasure derived from the series of the year. Whew! All of the dramatic loose ends were tidily tied up to bring a stimulating and intoxicating climax to this explosive finale.

I held off in writing a review until I finished the entire series. Here of late, I've read series where the first book is excellent, the second book is good but not great and the third book is a big let down. I have to admit, this series was excellent all the way through. I loved it. Cherish went through it with Bishop. Even though she was going through a hard time in her life as far as her marriage was concerned, I never really felt pity for her. Her character was strong. She wasn't the type of woman

who finds out that her husband is cheating and loses it. She didn't go crazy or go into deep depression. She didn't go after the other woman and forgive her husband. Cherish allowed karma to deal with it and karma definitely showed her ass. She played her cards right. I love everything about Cherish. She was a straight "G". Bishop was a clown. How do you step out on a dime like Cherish to be with a whore like Dionne? Oh, I know why.... it was the power of the "p". He threw everything away for some rotten stuff. I guess he really did fall for her and she really did love him, but what he did to Cherish was unforgivable. I think that he realized that he was making a mistake, but when he saw that Cherish really didn't want anything to do with him, he had to move on. Little did he know that Cherish knew everything that he was doing and she was just sitting back and letting this fool hang himself. Dionne is the true definition of a evil bitch. There was nothing good about this woman. She went out of her way to destroy Cherish and Bishop's marriage. She claimed to be so in love with Bishop, but she couldn't stop having sex with "Mr. Maintenance". I have to admit, she succeeded in doing what she set out to do.
