I'm guessing there is a book 4. This was farfetched. How Amber who has never shot a gun and clearly stated she didn't know how to shoot take out professionals in a hospital? She kills her daddy and all of a sudden she is an assassin. Crazy. Then Murda supposedly has four piranhas and then one piranha bits off the girl's head? Never. That is impossible, even a school of piranhas can't kill a human let alone bite off somebody's head. A simple Google search would have explained that. It

had potential to be a five star read but it dragged too much and it was unrealistic. Honestly, the way they were dropping bodies somebody would have been caught.

OMG. Part 3 HaD me so gone I didn't realize I had made it to the end. I have to say Amber and Nichole where the idea of what strength, courage and being fearless mean. Both ladies have gone through such a struggle and so much pain you wouldn't realize. All of the women in this book has been through something but life has turned them sour. Amazing series and bravo to you Linette King for awesome writing...cannot wait for pt 4.

Linette you have wrote another good book. glad that Nichole got away from Santos but I wish Murda would found her. Amber finally got some fight in herself. Perez and Big Dame got played by Stephanie because both loved her. I just hope Murda have a way out since the round table has for Perez. I will be waiting on part 4.

This book was a page turner... Plenty of drama mixed with a little bit of every thing else... Linette did a great job with all of her characters storylines... The only thing that upsets me is that I have to play the waiting game again for part 3 ^'... Keep up the good Ms. King and hopefully we won't have to wait long for the finale....

I'm in love with this series. Read part 3 in less than 3 hours of it's release. I just want Nichole and Murda to have a good life together. Ready for part 4 already
